experience.

FRONT-END WEB DEVELOPER
Freelance (Ene 2021 - Present)

I design and develop websites for small companies with HTML, CSS, and JavaScript. I am in charge of everything from meeting with the client and designing the user interface, to publishing the site

BILINGUAL TELEMARKETER
Teleperformance (Summer 2019)

I made reservations over the phone for Choice Hotels to clients from the United States and Canada. Because of this, I worked fully in English, becoming more fluent and gaining a better understanding of this language.
